- 14 Abstention and Unconditional Cash Transfer Effects on the Tobacco Consumption: evidence from Iran's energy subsidy reform 2010, a Dose Response approach , IIEA's fourth international conference 2016, Germany, Marburg, Philips University.

### **E-Teaching Experiences**

- 1 Microeconomics I, II, B.A. Faculty of Economics, Tehran University, Iran, 1995-2005.
- 2 3- Microeconomics, M., Institute for International Energy Studies, 2001.
- 3 Econometrics I, MS, Mazandaran University, 1994.
- 4 Econometrics I, MS, Imam Hosain University, 1996.
- 5 Mathematics for Economics, MS, Mazandaran University, 1994; Zahedan University (2002).
- 6 Probability Theory for Econometrics (a Measure Theoretic Approach), Sharif University of Technology 2002-2003.
- 7 Applied Micro-Econometrics, PhD, Imam Sadegh University and Tarbeiat Modaress University and Zahedan University Fall 2003, Fall 2005, 2008-2017.
- 8 Financial Econometrics, MS, Sharif University of Technology, spring 2003-2017
- 9 Econometrics II, MS, Sharif University of Technology, Fall 2004-2017
- 10 Microeconomics I, MS, Sharif University of Technology, Fall 2004-2017.
- 11 Microeconomics II, MS, Sharif University of Technology, Spring 2005-2017
- 12 Econometrics Theory, MS, Sharif University of Technology, Spring 2005
- 13 Econometrics I, MS, Mofied University and Tarbeiat Modaress University 2004-2005.
- 14 Microeconomics I, Ph.D., Mofied University, TMU and Sharif University Spring of 2006-2017
- 15 Microeconomics II, Ph.D., Sharif University of Technology, Fall 2011

### **F-Areas of Interest**

- 1 Micro-Econometrics
- 2 Labor Economics
- 3 Microeconomics Theory with Mathematical Approach.
- 4 Software's: professional in EVIEWS, STATA and R; and comfortable with TSP and MATLAB

### **G-Submitted Papers (Academic Journals)**

- 1 Determinants of Child Labor and School Attendance: Evidence from Iranian Households, Revision requested by *Journal of Work and Education*.
- 2 Gender Wage Gap in Iran: Urban Areas
- 3 Males' wage inequality and females' propensity to marry in Iran

- 4 Property crime participation, economic incentives and individual's social capital: Evidences from Individual data- Iran
- 5 Cohort, age and time effects in Iranian households' cigarette consumption, Revision requested by *Journal of Family and Economic issues*.
- 6 Abstention and Unconditional Cash Transfer Effects on the Tobacco Consumption: evidence from Iran's energy subsidy reform 2010, a Dose Response approach. Revision requested by *Journal Development Studies*

#### H- Workshops

- 1 Econometrics of Panel Data, IIES, Summer 2006
- 2 Econometrics of Financial Time Series, Sharif University of Technology, Summer 2006
- 3 Micro-Econometrics with Stata, Mazandaran University, Winter 2007
- 4 Micro-Econometrics with Stata, the University of Tehran, School of Economics, Summer 2011
- 5 Micro-Econometrics with Stata, Czech university of life science, Department of Economics, Dec 2015
- 6 Policy evaluation techniques with Stata September 2011, joint program by Philips University of Marburg and Tarbiat Modares University,
